Tribeca • 62" x 74" • by Kate Colleran of Seams Like a Dream Quilt Designs

SoHo offers a soft take on modern. Unique prints of circles, squares, triangles and dots in varying styles and sizes are offered with an organic sensibility. There are two palettes: Penthouse (shown here) featuring pink, taupe and gray, and Loft featuring teal, lime and gray. A selection of new and existing Colorworks Premium Solids coordinate beautifully with the collection.
