

STONEHENGE
by Helene Knott **Maplewood**
With Textures by Linda Ludovico

You'll fall for Stonehenge Maplewood, the stunning new autumn-inspired collection by Helene Knott and Linda Ludovico! The exquisitely detailed panel print is complemented with a variety of full width ombre leaf prints, patterns and textures. Maplewood comes in two beautiful colorways: Scarlet emphasizes autumn golds, rich oranges, and burnt red maple leaves, and Woodland features crisp forest greens, teals, and creams.

View the entire collection and all of the patterns at www.northcott.com and use the product finder tool to locate a shop near you that carries this line.
