# Strokes of Brilliance

by Deborah Edwards

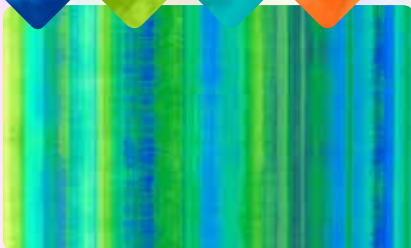

## Challenge your creative spirit!

Created by Deborah Edwards, Artisan Spirit Strokes of Brilliance offers a cornucopia of vibrant color and one of a kind modern prints!

All of the featured fabrics are digitally printed to capture the infinite palette of hues and maintain the integrity of the subtle details in each design. A wide selection of bright blenders coordinate beautifully with the main prints.

Visit [northcott.com](http://northcott.com) to view the collection and use the product finder tool to find a local quilt shop that carries these fabrics.
