

# JOLLY OLD ST. NICHOLAS

by Larry Jones

Jolly Old St. Nicholas offers a variety of classic Christmas prints that can work in combination with Northcott's ColorWorks Premium Solids line. The featured panel is digitally printed to capture the exquisite details in the beautifully illustrated artwork.

Warm Wishes - pattern includes a pieced option • By Jane Spolar of Quilt Poetry • www.quiltpoetry.com

**Window View** • 55" x 50" • Pattern includes 2 design options  
By Glenda Spencer of Stone Cottage Crafts • www.stonecottagecrafts.ca

Woodland Winter features the artwork of renowned artist Elaine Maier. The digitally printed panel is characterized by beautifully detailed woodland animals viewing the North Star at twilight. The animal tossed print features the same motifs, while the snowflake prints offer a contrast of rich twilight blues.
