

# naturescapes

By Deborah Edwards

Naturescapes is Northcott's newest brand that offers continuity and an abundance of textures inspired by nature, ideal for landscapes quilts. Naturescapes can be used in any nature-inspired project or to add borders to Northcott's digital nature panels. Naturescapes is available in 40 designs with a wide range of textures, colors, and values.

Naturescapes is also available in a variety of Fat Quarter Bundles.
