SUN VALLEY

Happy Dance • 39½" x 55½" • By Jean Boyd

Created by renowned Stonehenge designer, Linda Ludovico, Sun Valley takes the Southwest theme to a new level. The main panel features a Kokopelli ceremony set against a radiant sunset. There is also a border stripe with beautifully illustrated Kokopelli and animals of the Southwest. The striking woven diamond print is reminiscent of indigenous blankets, while the pottery is evocative of their handiwork.
