

# ROCK CITY

Counterpoint • 43" x 54" • Jane Spolar of Quilt Poetry

This collection is inspired by the rocks and scenery found near our new Banyan Batiks Design Studio in Golden, Colorado! Rock City is offered in six color palettes: Sterling, Earth, Garnet, Gold, Rose Gold, and Topaz. In each palette, there is a stunning double border print that coordinates with a variety of gorgeous primitive designs. The Rock City palettes also coordinate well with the Ketan and Shadows essentials!
