

BEE kind

by Jade Mosinski

C23749-99 Canvas Panel

No pattern required, just cut out and sew.

Bee Kind is a whimsical collection from British designer Jade Mosinski. Featuring cute and contemporary tossed prints of bees and flowers, they are sure to create a buzz in your next project! The collection offers a multi-purpose 43" x 24" panel and an easy-sew canvas tote bag panel.

Bee Kind is shipping to stores in October 2020. View the full collection at www.northcott.com and contact your local quilt shop to see how you can buy these bee-eautiful fabrics!
