# *Dreamland* by Deborah Edwards

Created by Deborah Edwards, Dreamland features a 60" x 43" oversized panel print ideal for a playmat or with the addition of a border, a twin bed quilt. Little ones will have hours imaginative fun making their way around the city and the countryside visiting the castle fit for a princess, the horse stable, the city park and the fairground. There are shops that sell sweets, toys, pizza and more. Tossed ice cream treats and cupcakes, horses and flower prints coordinate with the featured panel while a variety of mix and match prints complete the collection.
