**DP24228-36** | Bark | Brown

**DP24229-42** | Texture | Blue

**DP24227-76** | Pine Toss | Green

**DP24229-14** | Texture | Tan

Award winning wildlife painter, Abraham Hunter's newest collection Mama Bear, captures an endearing scene with mama bear resting with her cub. Through the trees, diffused light rests on the scene creating a sense of peace and tranquility.

The exquisitely detailed panel is complemented by an all-over scenic featuring mama bear with her cubs. A variety of nature inspired prints, including forest trees, evergreens, bark, leaves and textures complete the collection. A selection of Toscana blenders coordinate beautifully with Mama Bear.
