Prairie Meadow

by Natural Born Quilter, Brett Lewis

Brett Lewis, Natural Born Quilter, has showcased his passion for the beautiful array of nature's flora and fauna in his newest collection for Northcott, Prairie Meadow. The collection was inspired by Brett's country roots and memorable journeys through the rolling hills of rural Alberta. Growing up, Brett was fascinated by the Pronghorn Antelope, which is featured in the focal print along with his favourite bird of prey, the Red Tail Hawk which can often be spotted soaring the skies in the open grasslands keeping a watchful eye on the Great Plains. Prairie Crocus, Wheat, Blanket Flower, Indian Paintbrush and Feathers play a supporting role in this striking collection. Prairie Boutonniere, a unique wide backing is offered in Prairie Meadow. Patterns are rendered in a unique palette of turquoise, peach, red, cream and navy giving it a modern vibe. A selection of Colorworks Premium solids complete the collection. Discover the beauty of Prairie Meadow by Natural Born Quilter, Brett Lewis supported by his stunning quilt patterns.
