HOOKED

by Al Agnew

Hooked, a new fishing themed collection created by Northcott, highlighting the exquisitely detailed, realistic art of Al Agnew. Among other lake fish, trout, bass and walleye make a starring appearance. The stunning focal prints are complemented by a variety of tossed prints featuring fish, lures, hooks and rods. All patterns are printed on a linen look background in a nature inspired palette of navy, blue, green, tan and beige. A quilt made from this collection will give the angler in your life genuine bragging rights! Get Hooked!
