PREHISTORIC WORLD STONEHENGE by Linda Ludovico

Created by renowned Stonehenge designer Linda Ludovico, Prehistoric World brings the Jurassic era to life, especially with the 43" W x 54" H oversized panel which is ideal for a bedding or a lap quilt. The border stripe and focal prints featuring dinosaurs, footprints and fossils are paired with a myriad of stunning textures all created in classic Stonehenge style in a palette of teal, green rust and beige. A few of our existing best-selling Stonehenge textures complete coordination. Stonehenge Prehistoric World will delight dinosaur fans everywhere!
