CANDELABRA

by Cerrito Creek 

As with our very popular Raven and Black Cat Capers, Candelabra combines sophisticated home décor with a dash of spooky Halloween in black, gray, orange and cream. Ravens, mirrors, candelabras and pumpkins are paired with elegant damasks and vintage pearls. The featured panel, border stripe and raven print add a little drama to this unique Halloween collection created by Cerrito Designs while a variety of mix and match toss prints and canvas textures complete the coordination.
