

Enchanted

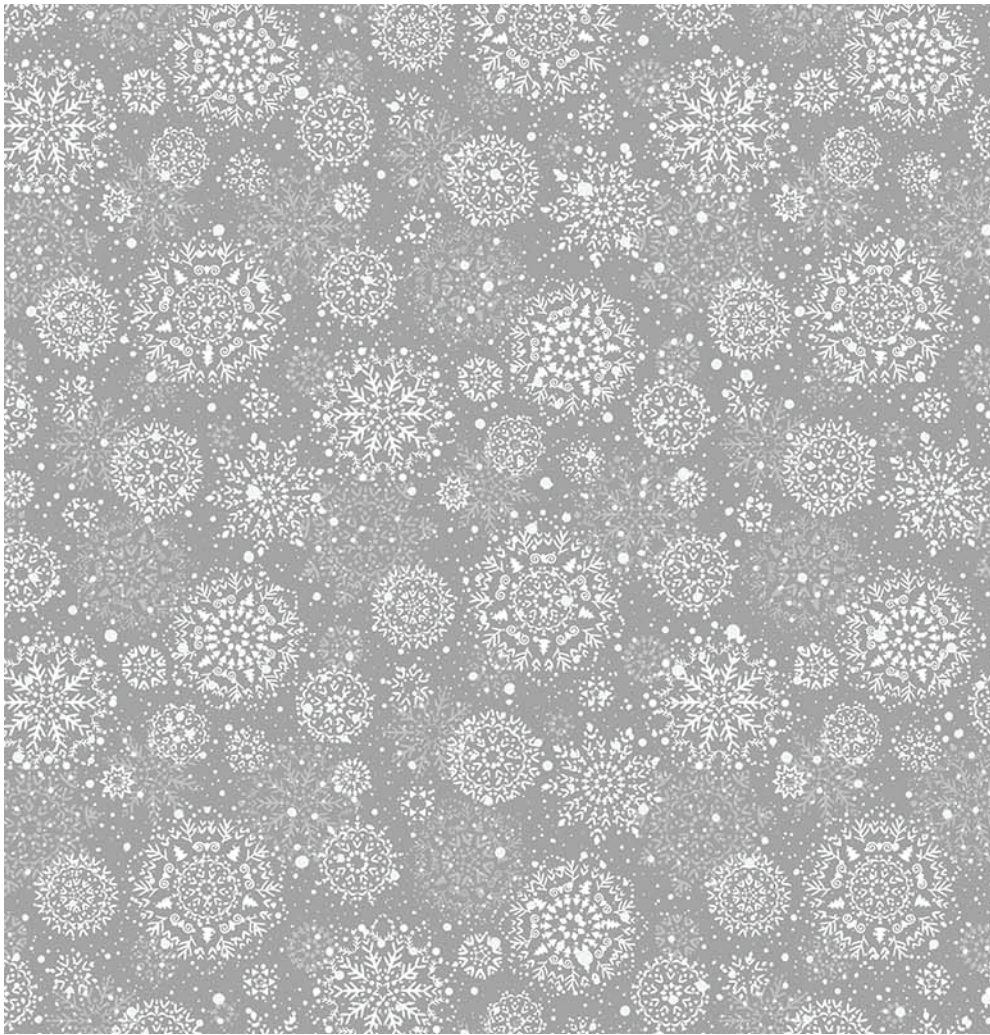

by Sandra Will

24213G-90 | Trees | Gray + Glitter

24212G-91 | Unicorn | Gray + Glitter

24214G-92 | Snowflakes | Gray + Glitter

24215G-10 | Snow | White + Glitter

Created by Sandra Will, Enchanted is characterized by a magical winter forest complete with frosted trees, unicorns and snowflakes. This four piece collection enhanced with glitter captivates the delight of this magical winter scene. A selection of existing Radiance coordinates beautifully. Sparkle, our newly developed lurex blender completes the collection. Add a little extra sparkle to your winter projects, delighting young and old alike.
