CHRISTMAS TRADITIONS

by Deborah Edwards

Created by Deborah Edwards, Christmas Traditions offers a fresh new look to a classic Christmas theme. Beautifully illustrated glass jars combined with Christmas flora and foliage in a palette of navy, red, green and white takes centre stage. Tossed prints featuring poinsettia and holly, baubles and bows, with a hint of Hellebore and pinecones play a supporting role. A selection of festive plaids and swiss dots complement the featured prints. A selection of premium Colorworks solids complete the coordination. Create tomorrows memories with Christmas Traditions!
