# Peppermint Candy

by Michel Design Works

Created by Michel Design Works, Peppermint Candy is oh so sweet!

T'was the night before Christmas when all through the house...The children were sound asleep in their beds with visions of sugar cookies dancing in their heads.

A wide assortment of tossed treats, festive holly and jolly old Santas are featured in classic Christmas colors of red, green and white. The unique panel includes gift tags and a variety of blocks that can be used in quilts, wall hangings or small gifts for young and old alike. There is even a block to make a mug rug for Santa! Our popular quick sew advent calendar and child's apron with a bonus gift bag are also offered in Peppermint Candy. A selection of our premium quality Colorworks solids coordinate beautifully with the collection.
