We are very excited to bring this fun BOM to you! This quilt is suitable for all skill levels, from beginner to the experienced quilter. The techniques used to create the blocks allow for easy and quick construction - you will not be bored!

There are two colorways for you to choose from - a soft, neutral for the contemporary home, and a bright version to make a bold statement.

The size is just right to either hang on the wall, lay over a sofa or on the lap of a loved one!
