

shimmer Dragonfly Moon

by Jill McCloy with textures from Deborah Edwards

METALLIC

Dragonfly Delight • 60" x 80" • By Rita Guzzard & Lori Marsh of Nine Mile Patterns

Created by distinguished quilter, teacher and pattern designer Jill McCloy, Dragonfly Moon reflects the tranquility of an Asian garden. It is offered in two color palettes: Tranquility (shown here) and Royal Garden featuring purples and teals.

The new designs with a hint of metallic are complemented by existing and new Shimmer coordinates.
