NORTHCOTT
Cottons that feel like silk
WWW.NORTHCOTT.COM

Stonehenge Gradations embodies a completely new and extensive range of basic stone textures. Six earth inspired palettes including Robin's Egg (shown here), Ebony, Slate, Oxidized Copper, Iron Ore and Blue Planet are offered. Each group features a unique print in wide backing. Visit northcott.com to see the entire collection and more patterns and use the product finder to locate a store near you that purchased these fabrics.

Available in precuts
