### Quilt Top Assembly:

- Using the quilt image as a guide for fabric placement, sew rectangles together to complete each row, beginning and ending with a square on rows 1, 3, 5, 7, 9 & 11.
- Sew rows together two at a time, i.e. sew rows 1 & 2, then rows 3 & 4, etc. Then join the row sets together. This will keep the size more manageable to work with.
- Cut the backing fabric in half to give you two 2 yd x WOF pieces. Sew the two pieces together along the selvage edges for a backing piece measuring approximately 72" x 84".
- Layer completed quilt top with batting and backing. Quilt as desired.
- Prepare binding from the 2 ¼" x WOF Fabric F strips, and bind quilt using your favorite method.
