Block Assembly:

1. Arrange two sets of rectangles from your medium (B & D) & dark (C & E) fabrics around a light (A) center square as shown in Diagram 1.
2. Lining up the bottom edges with right sides together, sew A to B, starting approximately 2" from the top of A. Finger press the seam open. See Diagram 2.
3. Join C to the A-B unit as shown in Diagram 3, stitching the entire length of the seam. Press seam toward C.
4. Working counterclockwise, join D & E in the same manner, as shown in Diagram 4.
5. Complete the block by finishing the partially sewn A-B seam from step 2. Fold over C and match the B edge to the A-E edge. Starting where the seam was left at the end of the A-B seam and backstitching to secure, finish the A-B seam as shown in Diagram 5. Press seam toward B to complete the block. See Diagram 6.
6. Repeat Steps 1-5 to make 20 blocks.

Quilt Top Assembly:

1. Arrange blocks in five rows of four blocks each, turning and placing each block to your liking.
2. Sew blocks together in each row, then join rows.
3. From binding fabric, cut 6 – 2 ½" x WOF. Join binding strips using diagonal seams. Fold in half wrong sides together along the length of the strip and press.
4. Prepare backing by cutting the length of the fabric in half to get 2 – 1 ½ yd pieces. Sew pieces together along selvage edges.
5. Layer quilt top with batting and backing. Quilt as desired. Bind using your favorite method.
