PIECING THE BLOCKS

1. Randomly select (76) 5" squares and (16) 4 1/2" squares. Draw a diagonal line from corner to corner on the wrong side of each square. Set aside the remaining 5" and 4 1/2" squares for another project.
2. Select two marked 5" squares. Place a marked square right sides together on one corner of an 8 1/2" fabric G square. Sew on the marked line. Trim seam allowance 1/4" out from the stitching. Press the corner triangle open. Repeat on the opposite corner of the white square to make (1) 8 1/2" x 8 1/2" Angled block. See diagram below. Repeat to make 38 blocks.

Angled Block — Make 38

3. Select four marked 4 1/2" squares. Repeat step 2 on each corner of an 8 1/2" fabric G square to make (1) 8 1/2" x 8 1/2" Center block. See diagram below. Repeat to make 4 blocks.

COMPLETING THE QUILT

NOTE: Refer to the exploded quilt diagram below throughout the following steps.

1. Join six Angled blocks to make the $8\frac{1}{2}'' \times 48\frac{1}{2}''$ Row 1, turning the angle of the first three blocks in one direction and the last three blocks in the opposite direction as shown in the exploded quilt diagram. Press seams to the right. Repeat to make Rows 2, 5, 6 and 7, pressing seams to the right in the odd rows and to the left in the even rows.
2. Join four Angled blocks with two Center blocks to make Row 3, paying careful attention to the positioning of each block. Press seams to the right. Repeat to make Row 4, pressing seams to the left.
3. Join the rows to complete the $48\frac{1}{2}'' \times 56\frac{1}{2}''$ quilt center. Press seams in one direction.
4. Sew the $2'' \times$ WOF fabric G strips short ends together to make a long strip. Press seams to one side. Cut into two each $56\frac{1}{2}''$ and $51\frac{1}{2}''$ strips. Stitch the longer strips to the long sides of the quilt center and the shorter strips to the top and bottom. Press seams toward the strips.
5. Repeat step 4 with the $1\frac{1}{2}'' \times$ WOF Fabric B strips, cutting two each $59\frac{1}{2}''$ and $53\frac{1}{2}''$ strips.
6. Repeat step 4 with the $3\frac{1}{2}'' \times$ WOF Fabric F strips to complete the top, cutting two each $61\frac{1}{2}''$ and $59\frac{1}{2}''$ strips.
7. Remove the selvage edges from the backing pieces. Sew together on the long edges with a $\frac{1}{2}''$ seam allowance. Press seam open. Trim to make the $67'' \times 75''$ backing piece.
8. Layer the top with the backing and batting pieces. Quilt as desired. Trim edges even with the top.
9. Prepare Fabric A binding and bind edges using your favorite method to complete the quilt.
