Binding	39131-59	20161-49	¾yd	◊ Cut 5 strips 2¼" x wof.; join end-to-end and press in half.
Backing	2yds			
Batting	A piece approx. 43" x 62" or 3" bigger than the quilt top			

## Piecing:

1. Place a 6¼" Braid fabric #1 strip on a 5¼" Braid #1 strip as shown. Stitch and finger press seam toward 2<sup>nd</sup> strip.
2. Lay a 5¼" Braid fabric #2 strip on the first strip, aligning end at outer edge of 2<sup>nd</sup> strip above. Stitch, and finger press toward Braid #2 strip.
3. Add a 6¼" Braid #2 strip, aligning it with Braid #1 2<sup>nd</sup> strip; finger press seam toward Braid #2 2<sup>nd</sup> strip.
4. Continue adding strips in pairs (Braid #3, Braid #4, Braid #1, Braid #2, etc.) to form a chevron until braid measures 165". Carefully trim braid to 6½" wide.

## Assembly:

1. Cut 2 braid pieces the length of the panel plus 6", and 2 pieces the width of the panel plus 6".
2. Lay a shorter braid piece along top edge of panel, having the top right corners aligned. Sew a partial seam by sewing only 8" of the braid to the top edge of the panel. Finger-press seam toward panel.
3. Sew a longer braid piece to the right edge of the panel, finger-pressing seam toward panel.
4. Sew a shorter braid piece to bottom edge, then a longer braid piece to left edge of panel.
5. Finish sewing the top border to the top edge.
6. Measure the length of the quilt, and cut 2 strips this length from the outer border fabric; add to sides of quilt and press seam toward outer border.
7. Measure the width of the quilt including this border, and cut 2 strips this length from the outer border fabric; add to top and bottom edges, pressing seam toward outer border.

## Finishing:

Layer the backing, batting and quilt top; baste and quilt as desired. Trim edges even with quilt top. Sew the prepared binding to the edges, turn and stitch in place.
