20-Minute Infinity Scarf

All seams are sewn using a 1/4" seam allowance.

Fabric Requirements - 1 2/3 yds (Makes 3 Scarves)

Shown: **Lurex Woven** 21246W-10 (White/Gold Metallic) & 21246W-100 (White/Silver Metallic)

Instructions:

1. Cutting along the length of fabric, measure and cut three 14"W x 60"L strips.
2. With right sides together, fold one of the strips in half lengthwise and pin. Starting and stopping about 12" from each end, sew along the length of fabric to make a tube. Backstitch at both ends to secure. Turn right side out.
3. Fold so that the two short edges meet. Open and match up the short edges with right sides together and pin. Before sewing, make sure your scarf is not twisted. Sew along this edge to join the two ends together, forming a circle.
4. Turn the raw edges of the opening in and press. Hand stitch the opening closed, or machine stitch as close to the edge as possible.

Repeat using the remaining cuts of fabric to make quick & easy gifts for family & friends!
