Fabric D – Leopard print #21405-12 Backing	1 ¾ yards	There is not much extra room on either side if you're loading this on a long arm.

Assembly:

Coping strip: Using Fabric B, cut two coping strips measuring 40 ½" and sew to the top and bottom of the panel. Cut two more coping strips measuring 28 ½" and sew to the two sides of the panel. Press all seams towards the border. Wall hanging should measure 28 ½" by 44 ½".

Block A: Sew two triangles of Fabric B (Piece A) to opposite corners of a 3 ¼" square of Fabric C. Press away from the center and add two more triangles of Fabric B (Piece A) to the remaining corners. Press away from the center. Block should measure 4 ½". Trim if necessary. Make 20 blocks.

Block A

Block B: Lay out two triangles each of Fabric B and C (Piece B). Sew them together to get an hour glass block. Block should measure 4 ½". Trim if necessary. Make 20 blocks.

Block B

Outer border:

Alternate 4 Block B and 3 Block A to assemble one of the side borders. Create two borders and sew them to the coping strips. Press towards the coping strips. Create the top and bottom borders by using 7 of Block A and 6 of Block B for each border.

NOTE: It is best to NOT prewash preprinted fabrics such as panels and border prints. The fabric goes through many processes to be delivered to the consumer and there may be some size variations. If you're unable to cut the panels to the size mentioned above, cut the pieces to a size that works for your panels and adjust any other measurements accordingly.
