Cutting triangles using template:

1. Lay template on left end of strip, with “trimmed” tip at top of strip as shown. Cut along left and angled edges of template.

2. Rotate template 180° so that trimmed tip is at bottom of strip, aligning angled edge with trimmed edge of strip; cut along right edge of template.

3. Rotate template 180°, positioning template at left edge of strip; cut along angled right edge.

4. Continue along strip, rotating template and cutting along right edge of template until required number of pieces are cut.

Leaf Blocks (10):

1. Cut (10) 4½” E squares once diagonally.
2. Center and sew one triangle on each 1” x 6½” F piece; press seam toward F.
3. Center and sew remaining triangles on opposite side of F piece; press seam toward C.
4. Trim ends of F along edges of E as shown.
5. Sew an E triangle to each F triangle along long edge, pressing seam toward F.
6. Arrange the triangle units, stem units, E and F pieces as shown.
7. Sew the units together into 3 rows, pressing seams toward F.
8. Sew rows together, interlocking seams; press seams toward F where possible. Make a total of 10 blocks.

House Blocks (10):
1. Sew a D triangle and an E triangle onto long angled edges of each G triangle as shown.
2. Sew a D triangle to each E triangle, pressing seam toward D.
3. Sew a D/E unit to each D/G/E unit.
4. Sew a 6½” G piece to each side of a 6½” x 4½” C piece; press seams toward G.
5. Sew an 8½” G piece to top edge of each unit above, pressing seam toward G.
6. Sew an 8½” F piece to right edge of each unit above, pressing seam toward F.
7. Sew a roof unit from step 3 to each wall unit from step 6. Make a total of 10 blocks.

Assembling the Quilt:
1. Using the photo as a guide, arrange the leaf and house blocks alternately in 5 rows of
2. Insert a 12½” D piece between blocks and along outer edges of blocks. Insert a 2½” C piece at D intersections.
3. Sew into rows, pressing seams toward D. Sew rows together, pressing seams toward D.
4. Sew a 58½” B piece to top and bottom edges of quilt, pressing seam toward B.
5. Sew a 3½” C square to each end of a 72½” B piece, then sew to a 78½” A piece. Sew to sides of quilt, with B next to the quilt. Press seams toward A.
5. Sew a 6½” C square to each end of a 64½” A piece; sew to top and bottom edges of quilt, pressing seam toward A.

Finishing:
Layer the prepared backing, batting and quilt top. Baste and quilt as desired. Trim edges even with quilt top. Sew the prepared binding to the edges, turn and stitch in place.
