Piecing & Assembly:

1. Sew together the Fabric C, D, E, F & G rectangles along the 6 ½" edges to create Row 1, referring to the quilt image for placement (or to your liking). Place the Fabric C smaller rectangles on each end of one Row 1. (This Row 1 will be placed in the center of the quilt top.) Repeat to make three Row 1's.
2. The two Fabric A pieces cut above are Row 2's.
3. Starting with a Row 1 and alternating with Row 2, sew trips together, adding a Fabric B sashing strip in between each row.
4. Trim two of the outer border strips to 43" in length. Sew these top & bottom borders to the quilt center.
5. Join the remaining three strips on the short edges. From this long strip, cut two 4 ½" x 64 ½" side border strips. Sew one strip to each side of the quilt center.
6. Remove selvages from the two 63" x WOF backing pieces. Sew the two pieces together along the selvage edges using ½" seam. Press seam open. Your backing piece should measure approximately 63" x 88".
7. Layer quilt top, batting & backing. Quilt & bind as desired.
