Yippee
pillowcase

20-minute Pillowcase – 20" x 36"

Supplies: 1 1/3" yd for the pillow – cut 2 pieces 20 3/4" x 30"
 3/8" yd for the band – trim to 12 1/2" long x 41" wide
 1/8" yd for the flange – cut a piece 1 1/2" x 41" wide

Instructions:

1) Cut 2 pieces Rodeo panel – 2 panels will create front & back of pillowcase.
 Trim both panels to 20 1/2" wide.

2) Cut left bands off panel using the rope as a guide. This piece
 will be used for the inside of the pillow band facing.

3) Place panel pieces wrong sides together and stitch
 across bottom and sides using a scant 1/4" seam.
 Trim corners as shown (see picture).

4) Turn inside out and finger press seam to one side. Lay pillowcase flat and press sides and end seam
 so that the seam is at the edge. Sew a generous 1/4" seam on sides and end, encasing the raw edges
 in the seam. Turn right side out and press seam to one side.

5) Turn inside out and finger-press seam to one side.
 Lay pillowcase flat and press side and end seams so
 that the seam is at the edge. Sew a generous
 1/4" seam on side and end, encasing the raw edges
 in the seam. Turn right side out and press seam to
 one side. You're finished!
