

CHROMA

By Deborah Edwards

PTN2991 • Ticker Tape Parade • 66" x 75" • By Quilts by Jen

Chroma by Deborah Edwards is an artistic reorderable blender that offers a beautiful impressionistic style to projects. The line is offered in a stunning array of color and value that can be used on their own or combined fabrics from our **Bold Beautiful Basics** range for the perfect play on light and shadow.

For quilters looking to tackle their next precut-friendly masterpiece, Chroma is also available in a range of precuts including Fat Quarter Bundles, 10" Tiles and Strip Rolls.

Chroma ships to stores from September 2022.
Order online at www.northcott.com or contact your local Sales Representative to place an order today!
