

Watch Me Grow

by Deborah Edwards

Watch Me Grow by Deborah Edwards is a fun collection ideal for new parents, grandparents and anyone looking to make adorable baby projects! Woodland animals and cute wild mushrooms adorn a selection of tossed prints and two panels filled with various projects, including milestone markers, a growth chart, bibs and an easy-sew baby quilt. Available in a soft gender-neutral color palette with coordinating wood effect blenders, **Watch Me Grow** is the perfect collection for your growing tots!

Visit www.northcott.com to view the full collection and available patterns, and get in touch with your local quilt store to see if they are carrying **Watch Me Grow**!
