# Time to Quilt

## Block 12

FREE PATTERN

- Make the same block twice
- Blocks are mirror images
- Unfinished block size is 9 1/2"

Block 12a.

Block 12b.

2 contrasting fabrics—1/8 yard each

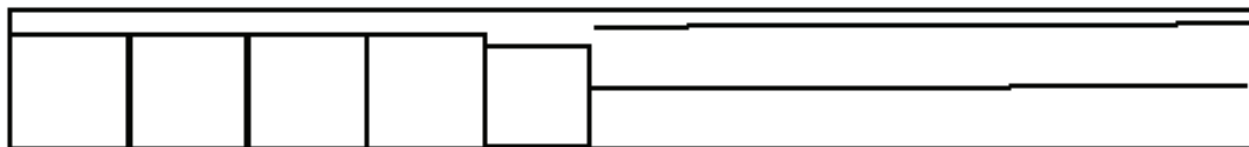

Label your fabrics #1 and #2 (It doesn't matter which way you label them)

From each of the fabrics cut:

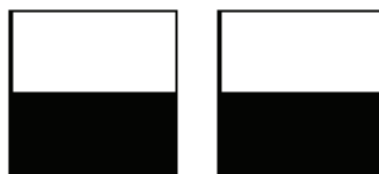

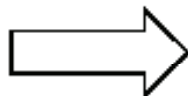

Cut (4) 3 7/8" squares

Cut (1) 3 1/2" square

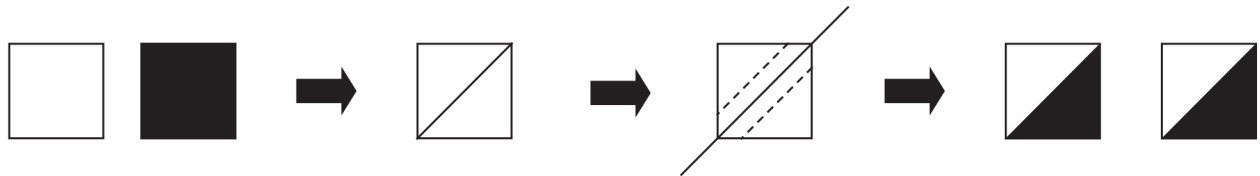

Cut remaining fabric into (2) 2" strips (see cutting diagram below)

**Block 12a.** Take one of the 2" strips from fabric #1 and one of the 2" strips from fabric #2. Sew strips together and sub cut into 3 1/2" sections yielding four squares. (See below).

Take (1)  $3\frac{7}{8}$ " square from fabric #1 and (1)  $3\frac{7}{8}$ " square from fabric #2. Place one square of each fabric right sides together and draw a diagonal line on the wrong side of one of the squares. Pin. Stitch a scant  $\frac{1}{4}$ " away from both sides of the drawn line. Cut apart on the drawn line and you have two sewn half square triangle units! Repeat this process to yield a total of four sewn half square triangle units. See diagram below.

Place units as shown in Block 12a. diagram above with (1)  $3\frac{1}{2}$ " square from fabric #1 in the center. Sew units together.

**Block 12b.** Take one of the 2" strips from fabric #2 and one of the 2" strips from fabric #1. Sew strips together and sub cut into  $3\frac{1}{2}$ " sections yielding four squares. (See diagram above).

Take (1)  $3\frac{7}{8}$ " square from fabric #2 and (1)  $3\frac{7}{8}$ " square from fabric #1. Place one square of each fabric right sides together and draw a diagonal line on the wrong side of one of the squares. Pin. Stitch a scant  $\frac{1}{4}$ " away from both sides of the drawn line. Cut apart on the drawn line and you have two sewn half square triangle units! Repeat this process to yield a total of four sewn half square triangle units. See diagram above.

Place units as shown in Block 12b. diagram above with (1)  $3\frac{1}{2}$ " square from fabric #2 in the center. Sew units together
